## The Restaurant On The Knoll Overlooking The Sandbanks At West Lake

*Tall windows offer an uninterrupted panorama of West Lake and the dunes of The Sandbanks.*

*A spectacular sunset is often a bonus for evening diners.*

Our Chef prepares a delightful variety of dishes which are served by our courteous and friendly staff. In season, we offer fresh local produce. Our licenced lounge, The Sand Bar, provides your favourite spirits and several specialty coffees as a perfect conclusion to a fine dinner. When cooling breezes and gentle ripples are part of our summer scene, our licenced waterfront patio and screened verandah provide additional outdoor dining and lounging areas. In the cooler months, enjoy the warmth of our fireplaces while dining or sipping your favourite beverage in the lounge. Special banquet and conference menus can be arranged for The Restaurant On The Knoll..., the private dining room (i.t.), or catered in the conference rooms.
